

SCHOOL CAMP PACKING LIST

THE ESSENTIALS FOR EVERY CAMPER

Clothing for outdoor programs should allow participants to be comfortable and protected in a range of weather conditions. Practicality is the emphasis rather than how fashionable clothes are. Unsuitable or ill-fitting clothes can impair participation and may be hazardous. Gippsland can experience some really cold, sometimes frosty nights. Please pack accordingly with extra layers, especially during winter programs. Coats, beanies, scarves and extra layers strongly recommended. Programming continues despite bad weather
