

THE SUMMIT · ADVENTURE PARK

STAFF TRAINING RATIOS

Activity Training Information

Authorised supervisor requirements and participant ratios for every activity.

Jun 2026

UNDERSTANDING THE TABLE

HOW TO READ THIS DOCUMENT

Every activity lists the training required before a staff member can supervise it, plus the minimum staff-to-student ratio.

Level 1

Foundation activities. Online video + test, plus supervised practical experience.

Level 2

Requires all Level 1 training, plus activity-specific online test and practical jumps/rotations.

Level 3

Highest-tier activities. Requires all Level 1 and Level 2 training, plus additional experience.

Ratio 1:1:15

One Summit trained staff : one group staff : up to 15 participating students.
