## SAFETY IS OUR HIGHEST PRIORITY

### WORKING WITH CHILDREN

Safety comes first, every member of our onsite team holds a current Working with Children Check, supporting a safe, professional and trusted environment for every student.

### RISK ASSESSMENTS

Safety built into every experience, comprehensive risk assessments are available on our website, supported by dedicated Safety and Activity Maintenance Officers who oversee ongoing compliance, inspections and maintenance across the site. Daily logs and weekly safety meetings. Detailed quarterly inspections of all major structures.

### \$20M PUBLIC LIABILITY

\$20 million public liability insurance. Emergency plans for fire, injury or illness.

**"Pre-season camp was a wonderful opportunity for the team to work together to build connection, resilience and trust. What we build in these environments carries directly into our performance program, both on and off the field, and it sets a strong foundation for the season ahead." Aysha Ward AFLW General Manager, Essendon Football Club**
